SCIRT Cyclist Best Practice Booklet

SCIRT have developed a cyclist best practice booklet that CTOC would like to see being used and that we are looking for industry feedback on. Ultimately CTOC will work to endorse this document as a best practice for use within the CTOC boundaries.

Please find the booklet here: [SCIRT Best Practice for Cyclist Booklet.pdf](#)

CTOC intend to finalise the booklet in the New Year should no substantive negative feedback be received by Christmas.

Please send any feedback you wish to provide on the on the booklet to TMC@ccc.govt.nz

Thank you in advance for your feedback.
