

# CHRISTCHURCH TRANSPORT OPERATIONS CENTRE

A partnership of Christchurch City Council, New Zealand Transport Agency and Environment Canterbury

*Keeping Christchurch Moving*

Bulletin 29 : 31 October 2014

## Cup and Show Week Restrictions

Cup and Show Week is expected to place significant transport pressure on some Strategic Route and Retail / Venue areas within Christchurch between Sat 8<sup>th</sup> and Sun 16<sup>th</sup> November. We are therefore aiming to minimise disruption on connecting Strategic Routes, and to maximise access and parking around the Retail and Entertainment areas during this period.

Please refer to the maps attached (and please excuse their hand-drawn simplicity!)

**Programme Managers, Project Planners and STMS's: Please ensure that all works causing restrictions on traffic flow, public car-parking, and pedestrian access in the highlighted areas, are completed and temporary traffic management is uplifted from the roads wherever practicable by 3:30pm Friday 7<sup>th</sup> November.**

If not practicable to fully uplift the TTM, please minimise impact as much as possible.

Activities that do not impact on traffic flow, public car-parking, or pedestrian access are not restricted, and normal traffic management may recommence in these areas from 7am Monday 17<sup>th</sup> November.

In recognition of the intense programme of rebuild works continuing in Christchurch, TMPs that enable works of strategic importance will be considered on an exception basis during this period. Please contact a TMC to discuss project details.

Thank you in advance for your assistance in making Cup and Show Week an enjoyable experience for our customers on the roads.

Regards

**Simon Harty BE Civil (Hons)**
