Please be aware that this high-profile public event will be occurring at Christchurch Stadium and worksite restrictions will be in place from Monday 1<sup>st</sup> June till Wednesday 17<sup>th</sup> June 2015.

Please refer to the highlighted Critical Transport Routes on the attached map.

Activity is restricted on these roads as follows:

1. Contractors with accepted worksites may be asked to reduce the impact or remove the sites for these days - a TMC will contact you next week should this be required.
2. Works utilising Service Agreements or Generic Plans are not permitted on these dates.
3. Work activities may be permitted on a case-by-case basis. Please contact a TMC to discuss.

Operations on non-highlighted routes are not affected by the above. Business as usual resumes on Thursday 18<sup>th</sup> June 2015.

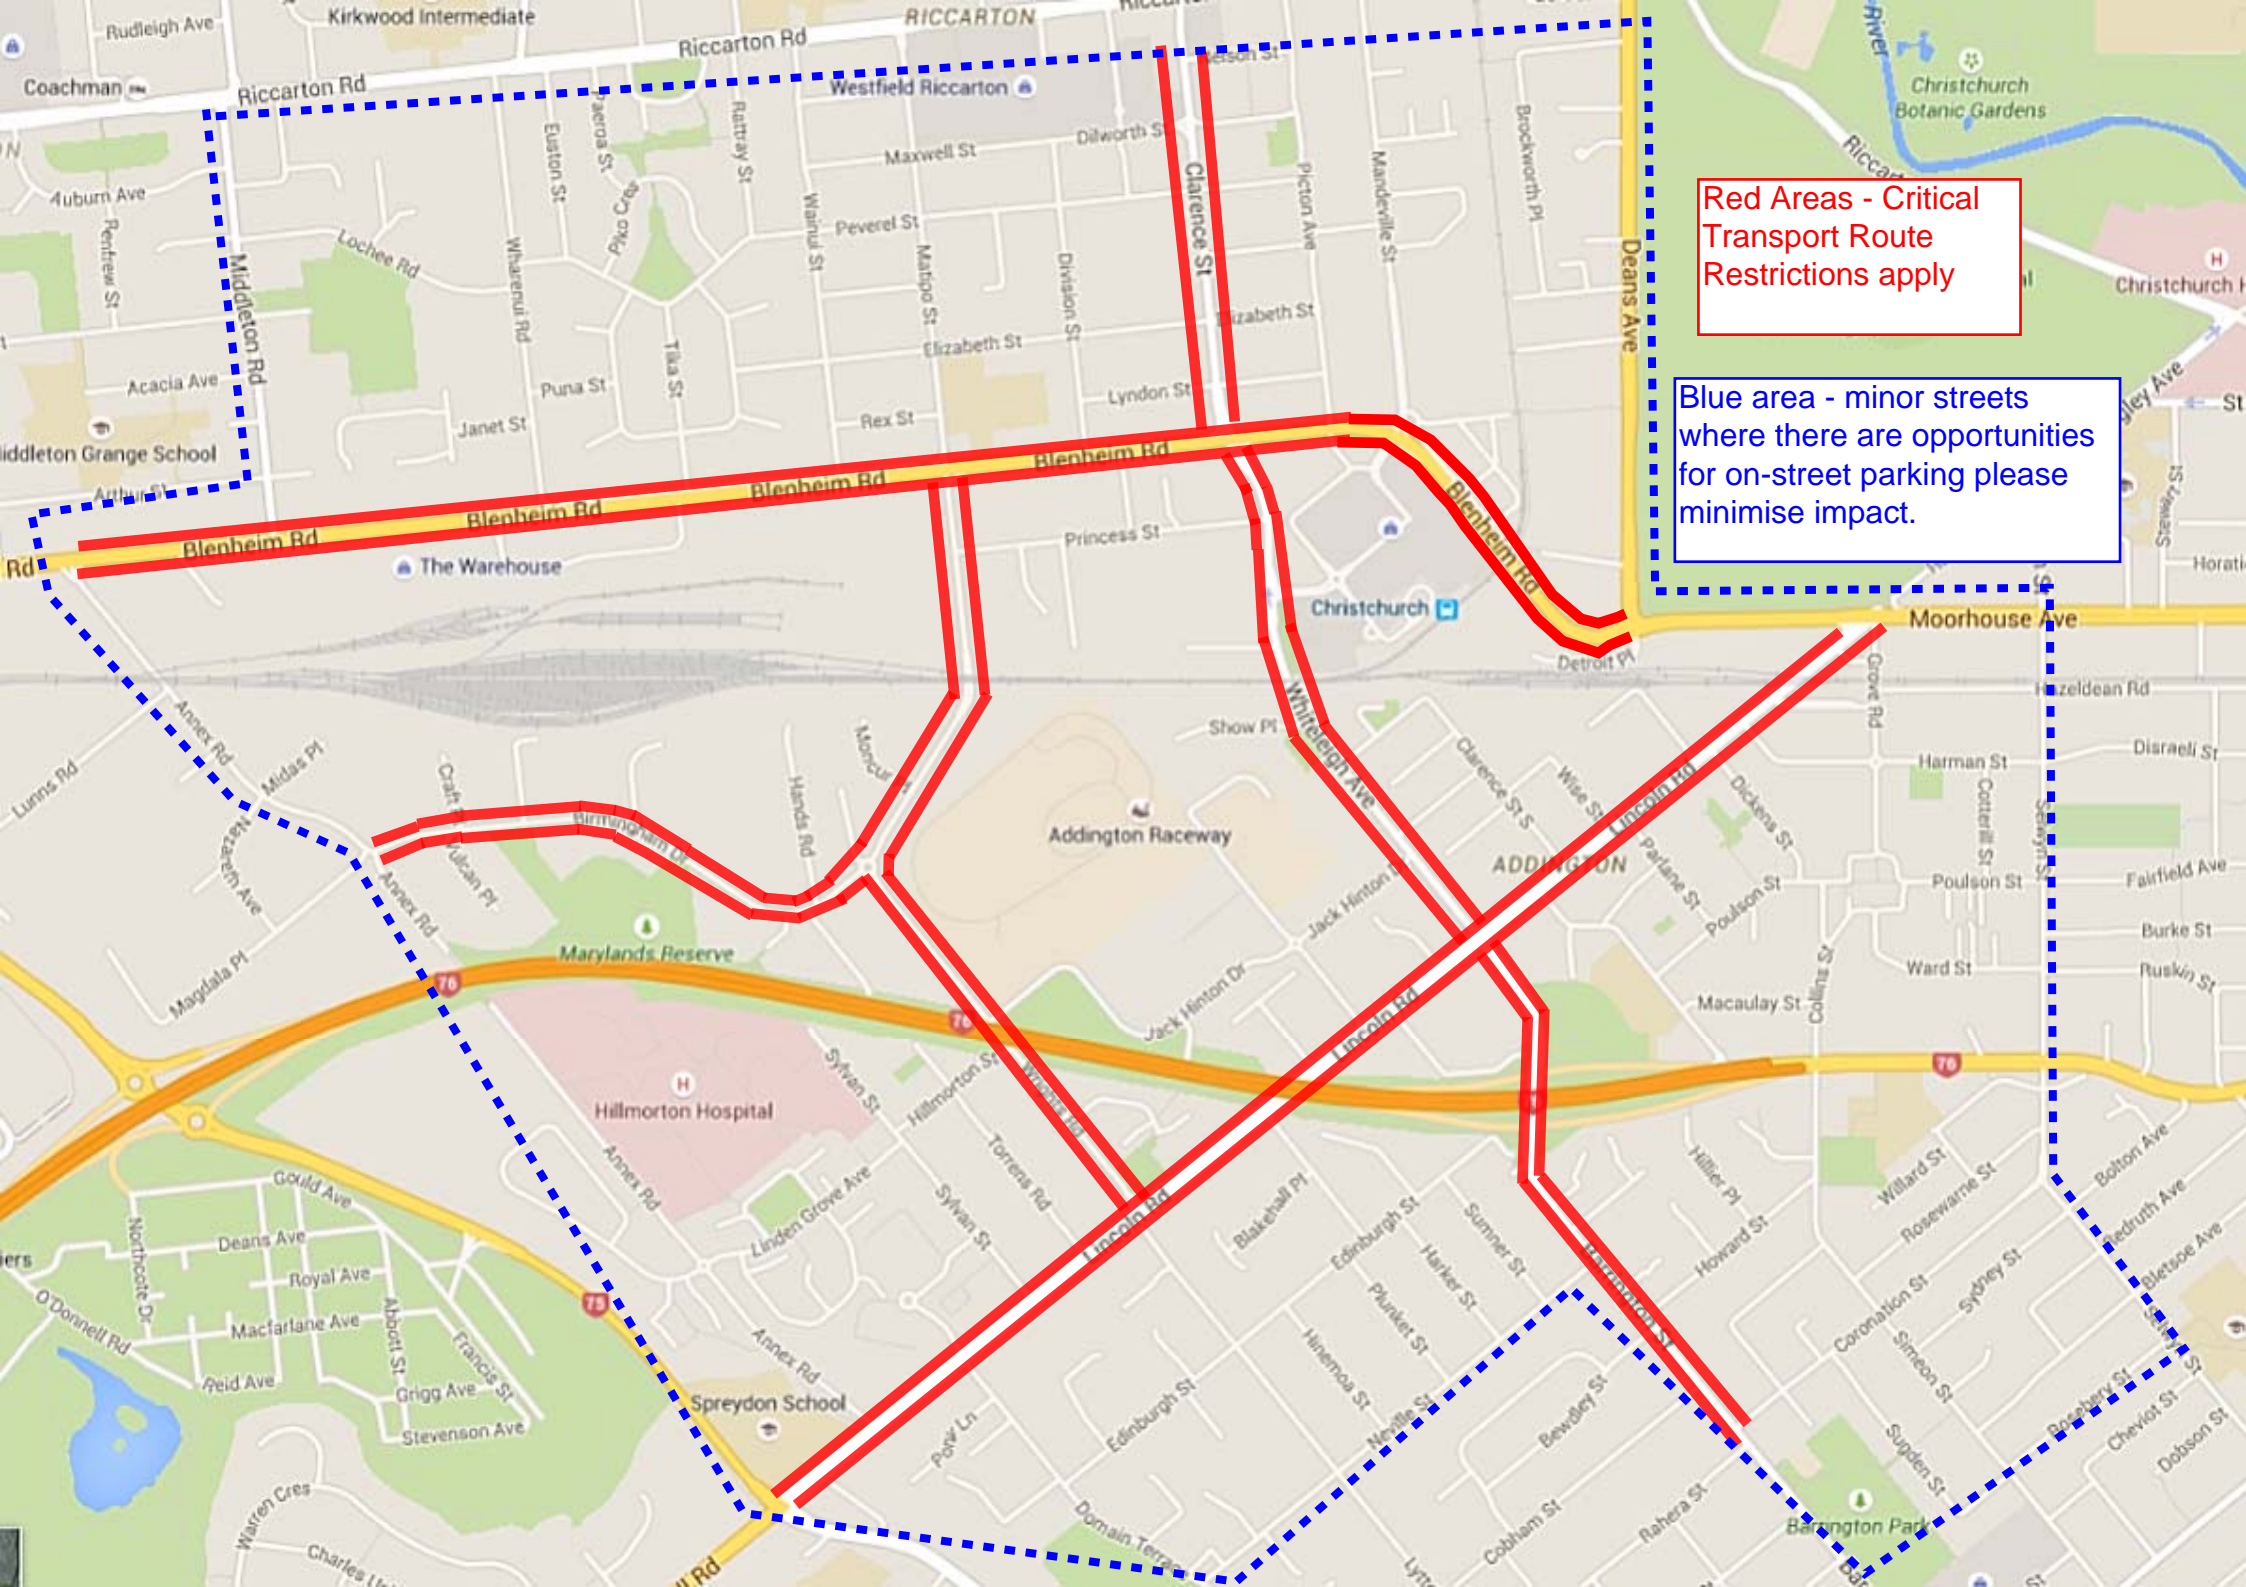

Thanks in advance for your assistance in making the FIFA U-20 World Cup 2015 experience a good one.
