

# CHRISTCHURCH TRANSPORT OPERATIONS CENTRE

A partnership of Christchurch City Council, New Zealand Transport Agency and Environment Canterbury

*Keeping Christchurch Moving*

Bulletin 39 : 9 September 2015

## Cup and Show Week 2015 Restrictions

Cup and Show Week is expected to place significant transport pressure on some Strategic Route and Retail / Venue areas within Christchurch between Sat 7<sup>th</sup> and Sun 15<sup>th</sup> November. We are therefore aiming to minimise disruption on connecting Strategic Routes, and to maximise access to and parking around Retail and Entertainment areas during this period.

Please refer to the maps attached

**Project Managers, Engineers and STMS's: Please ensure that all works restricting traffic flow, car-parking, or pedestrian access in the highlighted areas are completed, and temporary traffic management is uplifted from the roads wherever practicable by 3:30pm Friday 6<sup>th</sup> November.**

If not practicable to fully uplift the TTM, please minimise impact as much as possible. Activities that do not impact on traffic flow, car-parking, or pedestrian access are not restricted, and normal traffic management may recommence in these areas from 7am Monday 16<sup>th</sup> November.

In recognition of the intense programme of rebuild works continuing in Christchurch, TMPs for works of strategic importance will be considered on an exception basis. Please contact a TMC to discuss project details.

Thank you in advance for your assistance in making Cup and Show Week 2015 an enjoyable experience for our customers on the roads.

On behalf of the Temporary Traffic Management team.

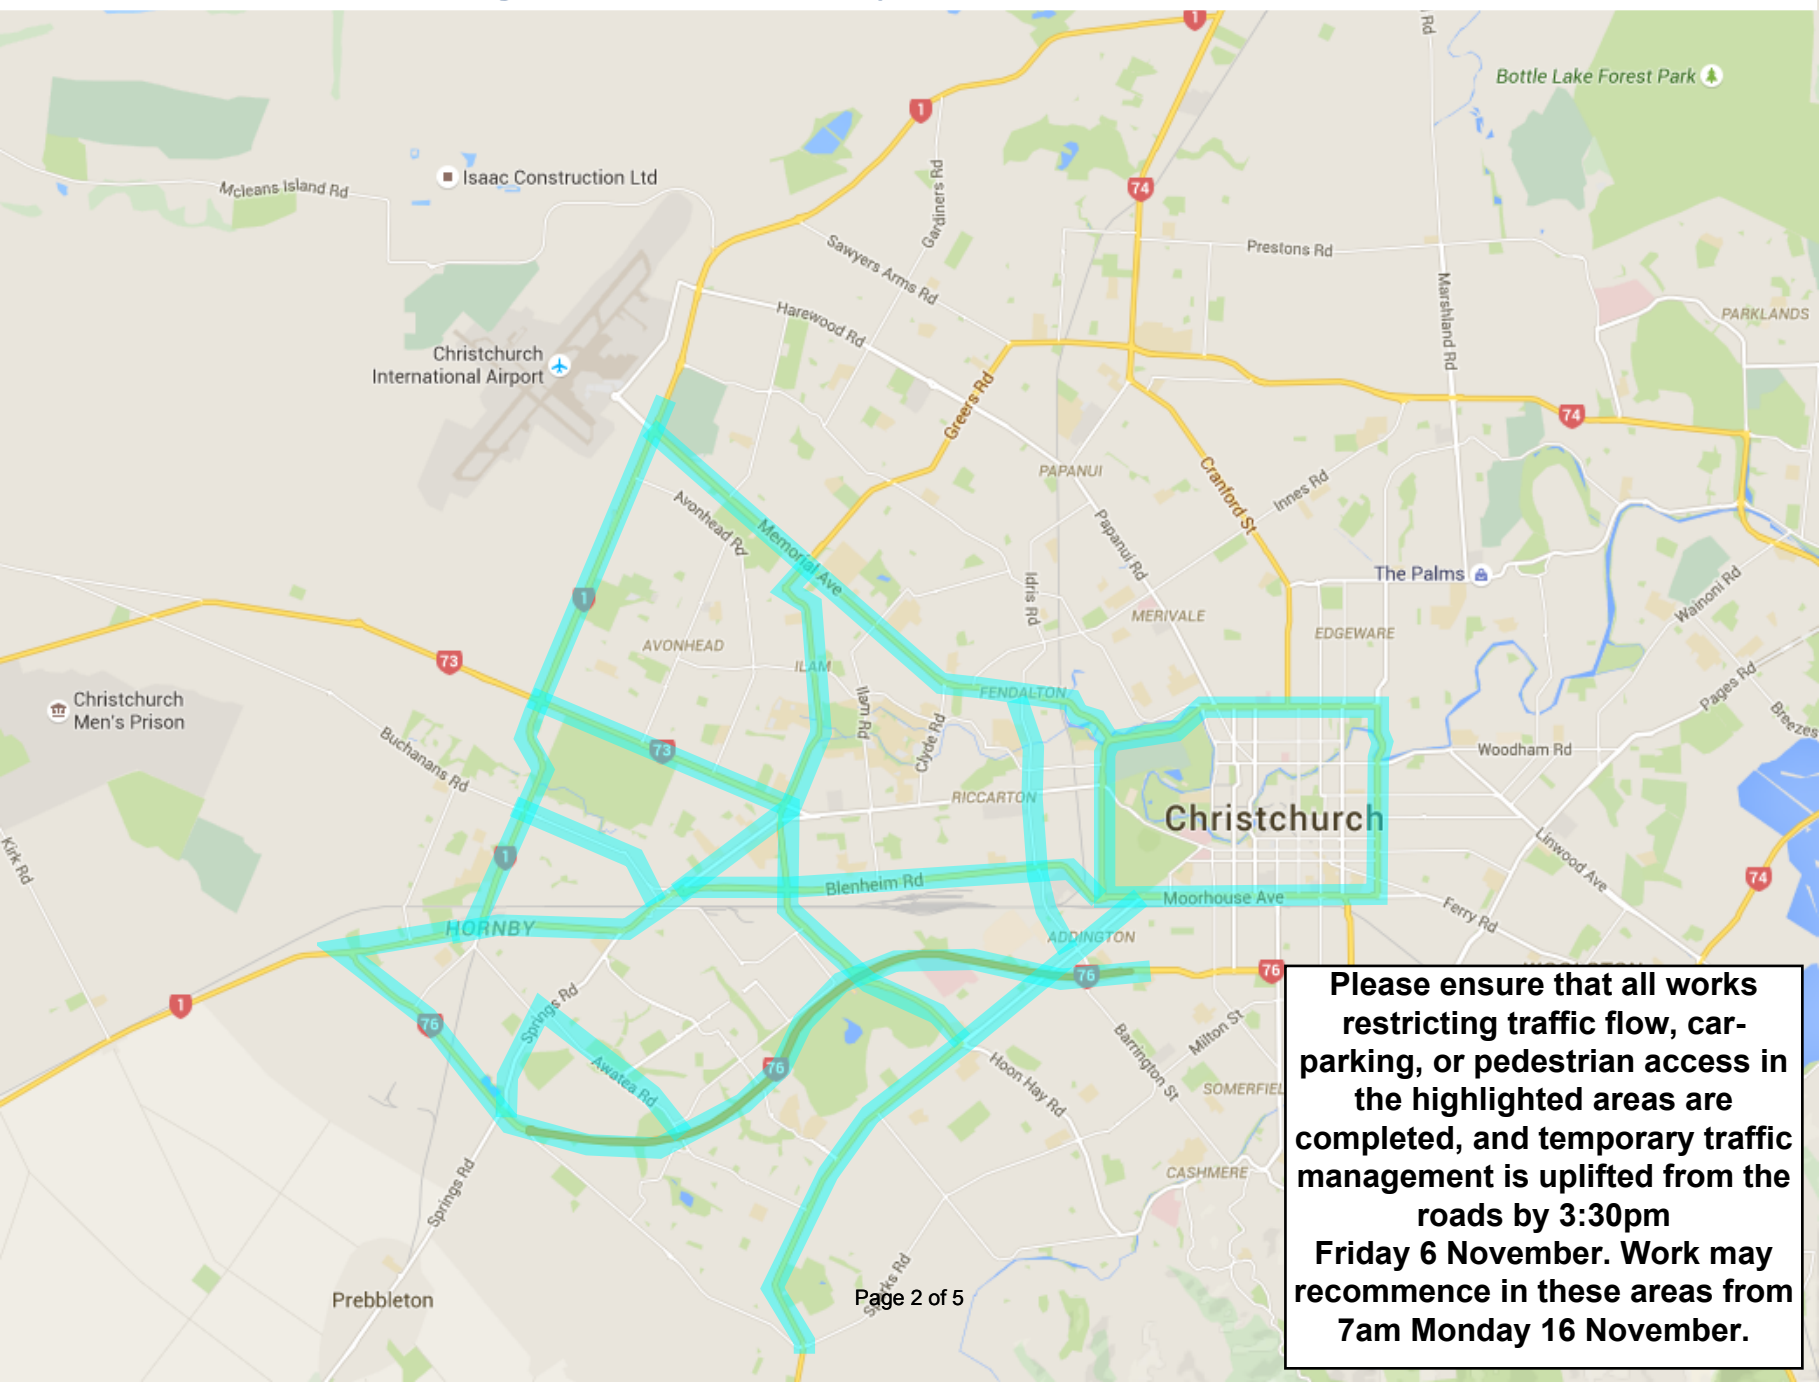

**Simon Harty BE Civil (Hons)**

CTOC Temporary Traffic Management Team Leader
