

Bulletin 56: 21 July 2017

Change to CTOC Boundaries and Road Level changes

Please be aware that CTOC boundaries for Traffic Management Operations have changed and the Road levels outside of Christchurch City boundaries have changed.

To align with the areas that other CTOC teams already operate and manage, the CTOC TTM team now have a changed area of network to manage within the Greater Christchurch Area.

CTOC's TTM team are now responsible for:

- An increased length of State Highway 1 - Rolleston to Pine acres.
- State Highway 71 - Lineside Road, Northern motorway to Rangiora

CTOC's TTM team are now no longer responsible for State Highway 75 - From Halswell River Bridge to Akaroa. This section of the network is now managed by the NZTA Southern link NOC contract.

This bulletin is also an advisory road levels in the North Canterbury State Highway network have changed, with the length of the Level 2 Road network increasing outside of CTOC boundaries. Level 2 Road classification now extends to Waipara on State Highway 1 and to West Melton on State Highway 73.

CTOC is currently working on updating the road levels within the CTOC boundaries and hopes to release the updated road levels by the end of August 2017.

Please see attached maps and lists for details.

On behalf of the Temporary Traffic Management team.

Simon Hodges / Temporary Traffic Management Coordinator
Christchurch Transport Operations Centre (CTOC)
