To book on a Hurford Traffic Management workshop, please complete a registration form through our website <http://hurfordtm.co.nz/registration/> or alternatively email info@hurfordtm.co.nz.

Please note that if demand exceeds the above programme, additional workshops including in-house courses can be arranged.

NZTA have stipulated that there can only be 16 people per trainer per course. Based on this our numbers are restricted to 16 people. However, if greater than 16 registrations are received you will be placed on a waiting list. If the numbers reach 20 then a second trainer to assist will be used and those on the waiting list will be confirmed on the workshop. If numbers don't reach 20 you will be placed on the next available course.
