

Bulletin 59: 5 September 2018

### **CBD Tidy Up**

As of **Monday 10<sup>th</sup> September**, Any sites that can be dismantled at the end of each working day is to be reduced or removed in a bid to “tidy up the CBD”. Eg no stockpiling of equipment, cones in the kerbs or signs on the footpath. These are to be picked up, taken away and redeployed on the next working day as required.

As of **Monday 24<sup>th</sup> September**, ALL redundant equipment will be collected by a CCC maintenance contractor and CTOC onsite STMS and relocated to a holding yard in Sockburn to await collection.

Any queries please contact Craig Morris

On behalf of the CTOC Temporary Traffic Management Team
